Orolia Limited, owner of Kannad Marine has become aware of an issue affecting Kannad SAFELINK EPIRBs which could result in the beacon not operating in an emergency situation.

If you suspect that you may have an affected beacon (only Safelink EPIRB auto and manual), you should **not use the SAFELINK as the primary Search and Rescue beacon on board your vessel. Please register your ownership, location and contact details via the dedicated website: www.safelinkepirbsupport.co.uk**
